SUPER ERECTA SHELF®

CATHETER PROCEDURE CART

(For catheter storage in the O.R., E.R., radiology, cardiac lab, central supply and other areas of healthcare facilities.)

- **Solves Storage Problem:** Holds all styles and sizes of catheter packages – on hooks, on shelves, or in tote boxes and bins.
- **Adjustable:** Catheter hooks are easily secured onto bars and can be adjusted to accommodate peel pouches 3" (76mm) or greater in width and up to 58" (1473mm) long. Bars can be adjusted along the length of the bar assembly. Shelves can be added or adjusted to meet specific storage requirements.
- **Organized:** Catheters can be easily organized by dedicating a catheter hook or series of hooks to specific types of catheters. Tote box systems and bins offer additional organization. They are standard with deluxe models and can be ordered as accessories for other models.
- **Identifiable:** Clear plastic label holder attaches to end of hook to identify type of catheter by style, size, or application. Tote boxes have snap-on clear card holders while bins have slide-on slots for labels. Shelf label holders are included to identify shelf contents.
- **Accessible:** Cart design allows easy access of catheters from hooks, tote boxes or bins.
- **Maneuverable:** Five-inch (127mm) polyurethane swivel casters, two with brakes, allow for easy maneuverability.
- **Two Styles; Five Models:**
 - **Combination Style Carts:** Combination style carts have three intermediate shelves and a top and bottom shelf. They are available in standard and deluxe models and have an overall dimension of 24" x 60" x 68" (610 x 1525 x 1727mm).
 - **Bulk Storage Carts:** Bulk storage style carts have four tubular bars, and top and bottom shelves, and are available in two sizes – 24" x 60" x 68" (610 x 1525 x 1727 mm) and 24" x 48" x 68" (610 x 1220 x 1727mm). They are accessorized with Metro Bins, Super Erecta Slides, tote boxes and ledges.

Deluxe Combination Style with 36" (910mm) bars and 24" (610mm) shelves. Model # CPCD3/2LC

*Model # CPC55EC – 48" (1219mm) bars shown
Model # CPC56EC – 60" (1524mm) bars*
